

## ADAMTS2 Polyclonal Antibody

|                        |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Catalog No.            | 4008905                                                                |
| Size                   | 50ug / 100ug                                                           |
| Product Category       | Primary Antibody                                                       |
| Immunogen              | Synthetic peptide of human ADAMTS2                                     |
| Isotype                | IgG                                                                    |
| Clonality              | Polyclonal                                                             |
| Host                   | Rabbit                                                                 |
| Reactivity             | Human                                                                  |
| Application            | IHC                                                                    |
| Recommended Dilutions  | IHC 1:10-100                                                           |
| Purification           | Affinity Chromatography Method                                         |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3                     |
| Format & Concentration | Liquid; 1mg/ml                                                         |
| Mol. Weight            | 135 kDa                                                                |
| UniProt ID             | O95450                                                                 |
| Synonyms               | NPI; PNPI; PCINP; PCPNI; PCI-NP; PC I-NP; ADAM-TS2; ADAMTS-2; ADAMTS-3 |
| Storage/Stability      | -20°C/1 year                                                           |
| Shipping               | Gel Packs                                                              |
