

## A-Raf Polyclonal Antibody

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4015955                                                                                                                         |
| Size                   | 50ug / 100ug                                                                                                                    |
| Product Category       | Primary Antibody                                                                                                                |
| Immunogen              | Synthesized peptide derived from human A-RAF at AA range: 241-290                                                               |
| Clonality              | Polyclonal                                                                                                                      |
| Host                   | Rabbit                                                                                                                          |
| Reactivity             | Human; Mouse; Rat; Monkey                                                                                                       |
| Application            | WB; ELISA                                                                                                                       |
| Recommended Dilutions  | WB 1:500-1000; ELISA 1:5000                                                                                                     |
| Purification           | Affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen                             |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4                                                                            |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                  |
| Mol. Weight            | 68 kDa                                                                                                                          |
| Synonyms               | ARAF; ARAF1; PKS; PKS2; Serine/threonine-protein kinase A-Raf; Proto-oncogene A-Raf; Proto-oncogene A-Raf-1; Proto-oncogene Pks |
| Storage/Stability      | -20°C/1 year                                                                                                                    |
| Shipping               | Gel Packs                                                                                                                       |
