

## GPR101 Polyclonal Antibody

|                        |                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------|
| Catalog No.            | 4017696                                                                                             |
| Size                   | 50ug / 100ug                                                                                        |
| Product Category       | Primary Antibody                                                                                    |
| Immunogen              | Synthesized peptide derived from human GPR101 at AA range: 245-294                                  |
| Clonality              | Polyclonal                                                                                          |
| Host                   | Rabbit                                                                                              |
| Reactivity             | Human                                                                                               |
| Application            | WB; IF; ELISA                                                                                       |
| Recommended Dilutions  | WB 1:500-1000; IF 1:50-200; ELISA 1:5000                                                            |
| Purification           | Affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen |
| Storage Buffer         | PBS with 0.02% sodium azide and 50% glycerol, pH 7.4                                                |
| Format & Concentration | Liquid; 1mg/ml                                                                                      |
| Mol. Weight            | 56 kDa                                                                                              |
| Synonyms               | GPR101; Probable G-protein coupled receptor 101                                                     |
| Storage/Stability      | -20°C/1 year                                                                                        |
| Shipping               | Gel Packs                                                                                           |
