

## HAO1/GOX Monoclonal Antibody

|                        |                                                  |
|------------------------|--------------------------------------------------|
| Catalog No.            | 4500223                                          |
| Size                   | 50ug / 100ug                                     |
| Product Category       | Primary Antibody                                 |
| Immunogen              | Recombinant Protein                              |
| Isotype                | IgG                                              |
| Clonality              | Monoclonal                                       |
| Host                   | Mouse                                            |
| Reactivity             | Human, Mouse, Rat                                |
| Application            | WB                                               |
| Recommended Dilutions  | WB 1:1000-2000                                   |
| Purification           | Saturated ammonium sulfate precipitation         |
| Storage Buffer         | PBS with 0.02% sodium azide, 50% glycerol, pH7.3 |
| Format & Concentration | Liquid; 1mg/ml                                   |
| Mol. Weight            | 41kDa                                            |
| UniProt ID             | Q9UJM8                                           |
| Synonyms               | GOX; GOX1; HAOX1                                 |
| Storage/Stability      | -20°C/1 year                                     |
| Shipping               | Gel Packs                                        |
