

## IL31RA Polyclonal Antibody

|                        |                                                                  |
|------------------------|------------------------------------------------------------------|
| Catalog No.            | 4008474                                                          |
| Size                   | 50ug / 100ug                                                     |
| Product Category       | Primary Antibody                                                 |
| Immunogen              | Recombinant protein of human IL31RA                              |
| Isotype                | IgG                                                              |
| Clonality              | Polyclonal                                                       |
| Host                   | Rabbit                                                           |
| Reactivity             | Human                                                            |
| Application            | WB; IHC                                                          |
| Recommended Dilutions  | WB 1:200-1000; IHC 1:25-100                                      |
| Purification           | Affinity Chromatography Method                                   |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3               |
| Format & Concentration | Liquid; 1mg/ml                                                   |
| Mol. Weight            | 83 kDa                                                           |
| UniProt ID             | Q8NI17                                                           |
| Synonyms               | CRL; GPL; CRL3; GLMR; GLM-R; PLCA2; hGLM-R; IL-31RA;<br>PRO21384 |
| Storage/Stability      | -20°C/1 year                                                     |
| Shipping               | Gel Packs                                                        |
