

## ILKAP Polyclonal Antibody

|                        |                                                |
|------------------------|------------------------------------------------|
| Catalog No.            | 4109287                                        |
| Size                   | 50ug / 100ug                                   |
| Product Category       | Primary Antibody                               |
| Immunogen              | Recombinant protein of human ILKAP             |
| Isotype                | IgG                                            |
| Clonality              | Polyclonal                                     |
| Host                   | Rabbit                                         |
| Reactivity             | Human, Mouse                                   |
| Application            | WB; IHC                                        |
| Recommended Dilutions  | WB 1:1000-3000; IHC 1:100-300                  |
| Purification           | Octanoic acid-ammonium sulfate precipitation   |
| Storage Buffer         | PBS with 0.03% Proclin300, 50% glycerol, pH7.3 |
| Format & Concentration | Liquid; 1mg/ml                                 |
| Mol. Weight            | 43kDa                                          |
| UniProt ID             | Q9H0C8                                         |
| Synonyms               | DKFZP434J2031; FLJ10181; PPM10                 |
| Storage/Stability      | -20°C/1 year                                   |
| Shipping               | Gel Packs                                      |
