

## Phospho EIF4EBP1-T37/46 Polyclonal Antibody

|                        |                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------|
| Catalog No.            | 4006618                                                                                   |
| Size                   | 50ug / 100ug                                                                              |
| Product Category       | Primary Antibody                                                                          |
| Immunogen              | A phospho specific peptide corresponding to residues surrounding T37/46 of human EIF4EBP1 |
| Isotype                | IgG                                                                                       |
| Clonality              | Polyclonal                                                                                |
| Host                   | Rabbit                                                                                    |
| Reactivity             | Human; Mouse; Rat                                                                         |
| Application            | WB                                                                                        |
| Recommended Dilutions  | WB 1:500-2000                                                                             |
| Purification           | Affinity Chromatography Method                                                            |
| Storage Buffer         | PBS with 0.03% Proclin300 and 50% glycerol, pH 7.3                                        |
| Format & Concentration | Liquid; 1mg/ml                                                                            |
| Mol. Weight            | 13 kDa                                                                                    |
| UniProt ID             | Q13541                                                                                    |
| Synonyms               | EIF4EBP1; 4E-BP1; 4EBP1; BP-1; PHAS-I                                                     |
| Storage/Stability      | -20°C/1 year                                                                              |
| Shipping               | Gel Packs                                                                                 |
