

IL-28RA Polyclonal Antibody

Catalog No.	4072885
Size	30ug / 100ug
Product Category	Primary Antibody
Immunogen	KLH-conjugated synthetic peptide encompassing a sequence within the center region of human IL-28RA. The exact sequence is proprietary.
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human
Application	WB
Recommended Dilutions	WB (1/500 - 1/1000)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide
Format & Concentration	Liquid; 1mg/ml
UniProt ID	Q8IU57
Synonyms	IL28RA; LICR2; Interferon lambda receptor 1; IFN-lambda receptor 1; IFN-lambda-R1; Cytokine receptor class-II member 12; Cytokine receptor family 2 member 12; CRF2-12; Interleukin-28 receptor subunit alpha; IL-28 receptor subunit alpha; IL-28R-alpha; IL-28RA; Likely interleukin or cytokine receptor 2; LICR2

Storage/Stability	-20°C/1 year
Shipping	Gel Packs
