

## CAD Polyclonal Antibody

|                        |   |
|------------------------|---|
| Catalog No.            | 4081862   |
| Size                   | 50ug / 100ug  |
| Product Category       | Primary Antibody  |
| Immunogen              | Recombinant full length protein of human CAD  |
| Clonality              | Polyclonal  |
| Host                   | Rabbit  |
| Reactivity             | Human   |
| Application            | WB, IHC, IF/IC  |
| Recommended Dilutions  | WB (1/500 - 1/2000), IHC (1/50 - 1/200), IF/IC (1/50 - 1/200)                                   |
| Purification           | Affinity chromatography method  |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide. |
| Format & Concentration | Liquid; 1mg/ml  |
| UniProt ID             | P27708  |
| Synonyms               | CAD protein   |
| Storage/Stability      | -20°C/1 year  |
| Shipping               | Gel Packs   |
