

## E2 EPF Polyclonal Antibody

|                        |                                                                                                                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4083034                                                                                                                                                                                 |
| Size                   | 50ug / 100ug                                                                                                                                                                            |
| Product Category       | Primary Antibody                                                                                                                                                                        |
| Immunogen              | Recombinant full length protein of human E2 EPF                                                                                                                                         |
| Clonality              | Polyclonal                                                                                                                                                                              |
| Host                   | Rabbit                                                                                                                                                                                  |
| Reactivity             | Human, Mouse, Rat                                                                                                                                                                       |
| Application            | WB, IHC, IF/IC                                                                                                                                                                          |
| Recommended Dilutions  | WB (1/500 - 1/2000), IHC (1/50 - 1/200), IF/IC (1/50 - 1/200)                                                                                                                           |
| Purification           | Affinity chromatography method                                                                                                                                                          |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                                                                         |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                                                                          |
| UniProt ID             | Q16763                                                                                                                                                                                  |
