

## GPx-7 Polyclonal Antibody

| Catalog No.            | 4082952                                                                                         |
|------------------------|-------------------------------------------------------------------------------------------------|
| Size                   | 50ug / 100ug                                                                                    |
| Product Category       | Primary Antibody                                                                                |
| Immunogen              | Recombinant full length protein of human GPx-7                                                  |
| Clonality              | Polyclonal                                                                                      |
| Host                   | Rabbit                                                                                          |
| Reactivity             | Human, Mouse, Rat                                                                               |
| Application            | WB, IHC                                                                                         |
| Recommended Dilutions  | WB (1/500 - 1/2000), IHC (1/50 - 1/200)                                                         |
| Purification           | Affinity chromatography method                                                                  |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide. |
| Format & Concentration | Liquid; 1mg/ml                                                                                  |
| UniProt ID             | Q96SL4                                                                                          |
| Synonyms               | GPX6; Glutathione peroxidase 7; GPx-7; GSHPx-7; CL683                                           |
| Storage/Stability      | -20°C/1 year                                                                                    |
| Shipping               | Gel Packs                                                                                       |
