

## NCOA2 Polyclonal Antibody

|                        |                                                                                                                                                               |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4082442                                                                                                                                                       |
| Size                   | 50ug / 100ug                                                                                                                                                  |
| Product Category       | Primary Antibody                                                                                                                                              |
| Immunogen              | Recombinant full length protein of human NCOA2                                                                                                                |
| Clonality              | Polyclonal                                                                                                                                                    |
| Host                   | Rabbit                                                                                                                                                        |
| Reactivity             | Human, Mouse                                                                                                                                                  |
| Application            | WB, IHC                                                                                                                                                       |
| Recommended Dilutions  | WB (1/500 - 1/2000), IHC (1/50 - 1/200)                                                                                                                       |
| Purification           | Affinity chromatography method                                                                                                                                |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                                               |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                                                |
| UniProt ID             | Q15596                                                                                                                                                        |
| Synonyms               | BHLHE75; SRC2; TIF2; Nuclear receptor coactivator 2; NCoA-2; Class E basic helix-loop-helix protein 75; bHLHe75; Transcriptional intermediary factor 2; hTIF2 |
| Storage/Stability      | -20°C/1 year                                                                                                                                                  |
| Shipping               | Gel Packs                                                                                                                                                     |
