

## beta-Tubulin polyclonal antibody

|                       |                                                                                              |
|-----------------------|----------------------------------------------------------------------------------------------|
| Catalog No.           | 4074302                                                                                      |
| Size                  | 30ug / 100ug                                                                                 |
| Product Category      | Loading Control                                                                              |
| Immunogen             | Recombinant protein corresponding to human Lamin B1                                          |
| Clonality             | Monoclonal                                                                                   |
| Host                  | Mouse                                                                                        |
| Reactivity            | Human, Mouse, Rat                                                                            |
| Application           | WB; IP                                                                                       |
| Recommended Dilutions | WB (1/2000 - 1/5000); IP (1/50 - 1/200)                                                      |
| Purification          | Affinity chromatography method                                                               |
| Storage Buffer        | 0.42% Potassium phosphate, 0.87% Sodium chloride (pH 7.3), 30% Glycerol & 0.01% Sodium azide |
| Format/Concentration  | Liquid; 1mg/ml                                                                               |
| Synonyms              | LMN2; LMNB; Lamin-B1                                                                         |
| Storage/Stability     | -20°C/1 year                                                                                 |
| Shipping              | Gel Packs                                                                                    |
