

## N,N,N',N'-Tetramethyl benzidine [95%]

|                  |                                                |
|------------------|------------------------------------------------|
| Catalog No.      | 56925676                                       |
| Size             | 1g                                             |
| Product Category | Fine Chemical                                  |
| CAS No.          | 366-29-0                                       |
| Mol. Formula     | C <sub>16</sub> H <sub>20</sub> N <sub>2</sub> |
| Mol. Weight      | 240.34                                         |
